

Event Center

Welcome to the Event Center at San Jose State University. This multi-million dollar complex contains a multi-functional arena with sound, lighting, and concert-quality acoustics. The Event Center Arena leads the field among venues in the Bay Area and hosts concerts, sporting events, conferences, and cultural programs. With 25,000 square feet of extended floor space, the Arena is ideally suited for large-scale performances. Equipped to accommodate any type of event, the Arena features a powerful delay speaker system that can enhance the sound of small stage productions. The technical expertise and dedication of the Arena staff ensure that audiences will be dazzled and entertained with shows they will never forget. The Event Center Arena is conveniently located in downtown San Jose and is a main attraction for audiences of varying tastes and interests.
